Zia Ul Ameen SH

Full Stack Developer

E-mail : ziaulameen.dev@gmail.com

Mobile : +91 8300321478

SUMMARY

Frontend Developer with 2+ years of experience building responsive and user-friendly web applications using React.js and Next.js, with strong full-stack capabilities. Experienced in backend development using Node.js and NestJS, creating scalable and efficient APIs. Skilled in working with databases like PostgreSQL and MySQL to ensure reliable data management. Proficient in state management using Redux and Zustand, focused on delivering scalable, high-quality solutions aligned with business and user needs.

PROFESSIONAL EXPERIENCE

Zethic Technologies — Nov 2023 - Present

NewsPortal

- Developed a full-stack NewsPortal platform that allows users to publish and manage articles and videos, with interactive features such as likes, reactions, comments (similar to social media platforms like Instagram), and content reporting to enhance user engagement and moderation.
- Built the frontend using Next.js, leveraging Zustand and TanStack Query for efficient state management and data fetching.
- Designed and implemented scalable backend services using NestJS with PostgreSQL, ensuring optimized performance and reliable data handling.

Godrej Properties — https://www.godrejproperties.com

- Contributed to the development of a real estate platform for Godrej Properties, enabling seamless property browsing and enhancing customer interaction through intuitive and user-friendly interfaces.
- Built and optimized the frontend using Next.js, improving application performance, load times, and responsiveness across devices.
- Integrated backend functionality using Keystone CMS to manage dynamic property listings efficiently, while collaborating with cross-functional teams to maintain high-quality development standards.

SKILLS

- Frontend - JavaScript, TypeScript, React.js, Next.js
- Backend - Node.js, NestJS
- Library - Redux Toolkit, Zustand, Framer Motion, TanStack Query
- Styling & UI - CSS, Sass, Bootstrap, Tailwind CSS
- DataBase - MongoDB, PostgreSQL, MySQL
- Tools & Platforms - VS Code, Figma

LANGUAGE KNOWN

- English
- Tamil

EDUCATION

Aditanar College of Arts and Science — 2020 - 2023

Bachelor of Science in Computer Science
